---

**What factors influenced your decision to become a physician and your choice of specialty?**

I wanted to return to a small town in Idaho to deliver quality medical care to the people of that community.

**Did you experience a defining moment that made you feel you had become a physician?**

The day I returned to Caldwell, Idaho to begin practicing medicine with some respected family doctors.

**As you were training to be a physician, what one piece of advice was most valuable to you?**

I was encouraged to specialize by most, but by a few good doctors I was allowed to pursue my dreams.

**What is the most significant medical innovation you experienced in your years of practice?**

Neonatal intensive care and obstetrical monitoring.
