

Fund for Better Health - Quotes from Recipients

"You can be sure that the grant money will be well utilized in providing case management services to uninsured residents of the Berkshire region. Thank you for helping us in making a difference in the healthcare of our neighbors without health insurance."

Volunteers in Medicine Berkshires
Great Barrington, Mass.
2008 Fund for Better Health recipient

"Your generosity translates directly to helping meet the needs of an increasing number of women and girls seeking our services. Your financial contribution allows us to provide free, quality, respectful health care for uninsured women and girls regardless of their ability to pay."

Women's Community Clinic
San Francisco
2008 Fund for Better Health recipient

"Thank you so much for this generous grant. The Drug Free School program has had a great impact in an impoverished region of Appalachia where the students are at great risk for substance abuse and an area where there is the greatest increase in deaths from prescription drug abuse. The AMA Foundation grant will allow the VCOM program to reach even more at risk students."

Edward Via Virginia College of Osteopathic Medicine (VCOM)
Blacksburg, Va.
2008 Fund for Better Health recipient

"The grant of \$2000 will help train individuals to provide appropriate patient education for chronic disease self management within the free clinic setting."

Health Alliance for the Uninsured
Oklahoma City, Okla.
2008 Fund for Better Health recipient

"This grant will be a tremendous help to us in beginning our signature project 'Your Seat is Reserved' which will provide car seats to the underprivileged infants and toddlers in our area. We would not have been able to start this project without your assistance; we are truly honored and grateful."

San Luis Valley Medical Society Alliance
Del Norte, Co.
2008 Fund for Better Health recipient

"*BodyLove* is the soap opera that is good for you – it tells stories that change people's lives. While *BodyLove* is first entertaining, it also promotes messages for healthy living and addresses the primary causes of morbidity and mortality among low-income African Americans in the U.S. – diabetes, hypertension and cardiovascular disease."

Media for Health
Birmingham, Ala.
2007 Fund for Better Health recipient

"Your generous award will help to ensure that we can continue our mission to provide shelter and support services to battered women and their children in our efforts to break the intergenerational cycle of violence."

Hope House
Lee's Summit, Mo.
2007 Fund for Better Health recipient

"The funds will support our wellness and fitness programs for older adults living in low-income public housing."

North Shore Senior Center
Northfield, Ill.
